The Ministry Training Center is an arm of DestiNations International (DNI), an Anabaptist mission agency dedicated to planting churches among unreached people groups. DNI operates under the direction of the Biblical Mennonite Alliance.

WHY? We believe that as a cross-cultural worker you will be more fruitful if you are prepared. We want to see more workers who are fulfilled in their ministry and equipped to sustain a long-term lifestyle of Gospel work. In a world of urgent need and opportunity, we find it helpful to remember that time spent training is like time spent sharpening a saw — it's never wasted!

WHERE? We are located in Elmhurst, New York City, one of the most ethnically diverse communities in the world. Chances are that you will be able to find people of your target religion or people group to interview and engage.

WHAT? An intense six-week program, LTO combines classroom learning with hands-on experiences. You will learn about teamwork before participating in team development activities, study God's heart for the lost and then go share the Gospel, and internalize the importance of prayer as you spend weekly time in prayer and fasting. You will also work through the *Perspectives on the World Christian Movement* course.

WHO? We encourage anyone planning to work cross-culturally to apply for Long-Term Orientation. Individuals with a heart for missions and those exploring ways to share the Gospel are also invited to apply. Families with children are welcome.

WHEN? We offer three LTO terms a year: April through mid-May, June through mid-July, and September through mid-October.
